257.657a Operation of golf cart on village, city, or township streets.

Sec. 657a.

(1) A village or city having a population of fewer than 30,000 individuals based upon the 2010 decennial census may by resolution allow the operation of golf carts on the streets of that village or city, subject to the requirements of this section. A township having a population of fewer than 30,000 individuals based upon the 2010 decennial census may by resolution, unless disapproved by the county board of commissioners under subsection (3), allow the operation of golf carts on the streets of that township, subject to the requirements of this section.

(2) If a village, city, or township allows the operation of golf carts on the streets of that village, city, or township, that village, city, or township may require those golf carts and the operators of those golf carts to be recorded on a list maintained by that village, city, or township. A village, city, or township shall not charge a fee for listing golf carts or the operators of those golf carts.

(3) A county board of commissioners may, by resolution, disapprove the operation of golf carts on the streets of a township located within that county if the county board of commissioners conducts a hearing and determines that 1 or more of the following apply:

(a) The operation of golf carts on the streets of that township would cause significant environmental damage.

(b) The operation of golf carts on the streets of that township would cause a significant concern of public safety.

(4) The county board of commissioners shall provide public notice of a hearing under subsection (3) at least 45 days before the hearing is conducted. The county board of commissioners shall also provide written notice of a hearing under subsection (3) to the township at least 45 days before the hearing is conducted.

(5) A person shall not operate a golf cart on any street unless he or she is at least 16 years old and is licensed to operate a motor vehicle.

(13) A golf cart shall not be operated on the streets of a city, village, or township during the time period from 1/2 hour before sunset to 1/2 hour after sunrise.
